

IMMEDIATE OPENINGS-

MECHANIC

Carpinito Brothers is a local, family owned company that is now hiring for Swing Shift Positions. These are Full-Time, Year-Round Positions.

Carpinito Brothers offers a competitive, hourly pay based on experience and also includes a Full Benefit Package including Medical, Dental, 401K, and Vacation.

Qualifications:

- Journey Man Level with 5 years experience
- Ability to safely operate vehicles and equipment to test and troubleshoot proper operation before and after repairs.
- Experience with Gas, Diesel, Hydraulics, Electrical, and Welding.
- Both preventive maintenance and repairs.
- Able to work independently and as a team.
- Must have a reliable vehicle and good attendance.
- Must have your own tools.
- CDL license a plus!

Duties to include but not limited to:

- Diagnose and Repair all types of diesel and gas equipment including Heavy Trucks, Trailers, Light Trucks, Loaders, Dozers, and other support equipment.
- Troubleshoot and Repair: Electrical, Fuel, Ignition, and Hydraulic Systems.
- Troubleshoot and Repair: Engines, Transmissions, Differentials, Steering, PTO's, Conveyors, and other material handling equipment.
- Perform Cutting, Welding, and Fabrication as needed.
- Make field repairs on Trucks and Equipment when required.
- Maintain service and repair records.

Please email resume to info@carpinito.com with the subject of HEAVY EQUIPMENT.
