### PRODUCT INFORMATION

### MEDIUM BARK - COARSE BARK

<p><b>Beauty Bark:</b>  <b>Fine • Medium • Coarse</b>          Our bark is composed of a Hemlock/ Fir mix.          Excellent for: Landscaping, mulching, retarding weed growth, moisture retention and overall beautification.</p>
<p><b>Topsoil- 3 Way Lawn &amp; Garden Mix:</b>          60% Kent Valley loam, 30% Steer♦Gro™, 10% sand.          A fine, screened and blended all-natural soil mix.          Excellent for: Gardens, flower beds, new lawns, landscaping and as a top dressing for existing lawns.</p>
<p><b>Play Chips:</b>  <u>Dog Kennels</u>                      <u>Children's Play Areas</u>          • Absorbs pet odors                      • Soft landing surface          • Creates a dry bedding                      • Dries fast after rain</p>
<p><b>Steer♦Gro™ :</b>          An aged barnyard manure and sawdust mix. An all-natural soil conditioner that promotes healthier and greener; vegetable gardens, lawns, flower beds, planters and baskets.</p>
<p><b>Compost Mulch:</b>          A rich, dark colored material made from composted yard debris and forest by-products.          Excellent for: Soil amending, landscape top cover, mulching and more.</p>
<p><b>Sand and Gravel:</b>          5/8" Minus - 1 1/4" Minus - Washed Sand          1/2"- 7/8" Washed - 1 1/2" Washed - Pea Gravel</p>

22 yds	31.95yd + tax	Mon - Fri Only
10-11 yds	34.95yd + \$75.00 del + tax	Saturdays

### Material Calculator

#### How much material do I need?

- Figure your total square footage (length x width)
- Use formula below to determine the number of cubic yards needed:

- For a 3-inch depth, divide total square footage by 100
- For a 4-inch depth, divide total square footage by 80
- For a 6-inch depth, divide total square footage by 50
- For a 1-foot depth, divide total square footage by 27

\*Above calculations are not factored for compaction

#### Suggestions:

- For establishing new lawns a 4-inch base of topsoil is ideal
- For weed control use a minimum 3-inch depth of Bark

## YOU-HAUL PRICES
