

## **Building Maintenance Technician**

Family owned and operated for over 50 years, Carpinito Brothers in Kent, WA has an immediate opening for an experienced full time Building Maintenance technician.

As a Maintenance technician for our team, you will play an important role in ensuring our multiple retail and manufacturing buildings, storage building, and residential style housing will be maintained properly and efficiently. Applicant must have medium to advanced knowledge in all aspects of general building maintenance and repair including but not limited to Plumbing, Electrical, Carpentry, and General Construction.

### **Your responsibilities may include:**

- Carpentry
- Plumbing repair (PVC, ABS, Copper, Galv. Pipe, PEX, Drain cleaning, etc.)
- Window, roof and gutter maintenance
- Heating system maintenance
- Electrical troubleshooting, repair, and replacement
- Fixture repair/ installation (plumbing and electrical)
- Maintaining repair records
- Working independently and also as a team
- Any and all other tasks requested

### **Benefits Include:**

- Company truck with service box to use while on site
- Healthcare, Dental, Vacation, 401k

### **Applicant's Requirements:**

- Must have a valid driver's license
- Must provide your own tools (some larger power tools and specialty tools are provided)
- Ability to climb ladders
- Ability to lift 50lbs.
- Ability to Stand or kneel for extended periods of time

If you enjoy working with your hands, using your brain, doing different projects day to day, and take pride in your work, this may be the job for you. Apply Today!
